Application No. 314,465

Dear Beverly:

Enclosed is a copy of a letter from John Bass containing proposed claims for a divisional application. There is no indication that you have received a copy.

John has asked for any comments we may have "as quickly as possible." I believe the proposal is in order. If you agree, please let me know and I will pass that on to John. Otherwise, please call so that we can formulate an alternative proposal.

Very truly yours,
